

INTENSIVE ENGLISH COURSES

General Information

Intensive proficiency courses are for those who are pursuing both their B.A and M.A degrees at ITU and for the newly-registered students. Since the medium of instruction is either 30% or 100% English in faculties, students should have adequate knowledge of English and they are tested via proficiency exams organized by ITU SFL. After achieving ITU SFL Proficiency exam, students have the right to study at their departments. The main goal of the intensive proficiency courses is to prepare students for their education in their departments in terms of English language proficiency. Classes mainly focus on listening, reading and writing skills as well as vocabulary and grammar; furthermore, proficiency test taking strategies are explicitly taught and ample proficiency exam practice is provided.

Aims and Objectives

The course covers all parts of the proficiency exam at ITU SFL in detail. It also provides information and advice for the test while supporting students with sample questions and previous proficiency exams. Students will have had deeper knowledge of the test with the exercises prepared for every aspect of the exam by the end of the course. It mainly aims to increase students' level of English expected for undergraduate and graduate studies.

Course Requirements

Anyone who wants to take the course can register regardless of their level of English.

Course Content

This program is an intensive 8-day program and covers high level language skills as well as all the aspects of the ITU SFL Proficiency Exam. Students receive 48 hours of English classes focusing on writing, listening, reading skills and grammar of the proficiency exam. Course books prepared by ITU CEC and materials specifically designed for the ITU SFL Proficiency Exam are used in classes.
